Accessibility for everyone and the use of the beautiful lobby for the silent auction are a couple reasons why LCC attracted Full Access for the Sprout Film Festival this year. LTD also has a bus running frequently from the downtown Eugene station direct to LCC campus.

**The Eugene matinee** features a different line up of films than the evening event. We will announce the winners of the High School Photo Competition, "The Face of Humanity." This year's photo competition is for students between ages 16-22. If you are interested in the competition, give us a call!

**The evening event** features a few surprises! The reception includes a silent auction, live music, appetizers and a no-host bar. The feature film is *Beautiful Son*, a touching look at a family's love for their son, Beau, and the steps they take to understand his diagnosis of autism spectrum disorder.

If you just happen to be a fan of Dutch Bros. coffee, the back of the Eugene Sprout ticket is a coupon for savings on your next Dutch Bros. purchase!

**Bend, OR-Tower Theater** Friday, May 15, 2009

**Matinee:** 11:30am-1:30pm, \$6 **Reception & Films:** 5:00-9:00pm, \$25 **Films only:** 7:00-9:00pm, \$9

The films selected this year for Sprout are a combination of the "laugh-out-loud" variety, and tell those that the personal stories about people with developmental disabilities.

**The Bend matinee** ends with the film, *UP Syndrome*. Renee lives life with fun in mind and wastes no time sitting around and complaining. His friend tells his story in this wonderful look at a great guy ready to find adventure around every corner.

**The Bend evening** feature film, *Crossing Tahoe*, is about a Portland, Oregon athlete, Karen Gaffney, who plunged into the dark waters of Lake Tahoe to complete a long distance endurance swim. Having Down Syndrome was the least of her challenges. To conquer the nine-mile distance, she would need all the strength, courage and spirit she could muster.

All the films feature talented actors, writers, and producers with developmental disabilities. To find out more about Sprout, go to [www.gosprou.com](http://www.gosprou.com) or visit our website <http://fullaccess.org>
