She'll Be Coming 'Round The Mountain

It is with great pleasure that Full Access announces the promotion of Heather Hopkins-Slechta to Assistant Director upon the departure of our current Assistant Director Kim Sellmann.

With Kim's departure in August, Full Access needed to address several things related to the change. The first key point was to ensure Full Access has continued strong and effective leadership in our agency and Heather's promotion does that. This change has been in the mix for weeks as Heather worked out the move to Bend with her family.

Heather was in the first group of Personal Agent hired by Full Access in February 2002. She has been promoted over the past 11 years after demonstrating the skill and commitment required of increased leadership. She serves on multiple local and state committees and will continue to do so from her position in Bend.

We have not scheduled the exact timing of the changes but will keep you informed as we get closer to the date. Heather has a three generation family to move, so it is quite a process as you can imagine. More to come and please do extend your congratulations to Heather! This is a well deserved promotion!
